

Warranty

1.) WARRANTY – (a) These provisions constitute a part of the consideration for the products, and services, to be furnished by Axis LED Group, and set forth the entire agreement with respect to warranties and the remedies for their breach. No other agreements, written or oral, shall constitute warranties of any nature nor create remedies. Axis LED Group warranties as set forth herein are exclusive and are in lieu of all other warranties, (expressed or implied) including, without limitation, any implied warranties of merchantability or of fitness for a particular purpose. These provisions shall be interpreted and applied in accordance with the laws of the State of Maryland, USA. (b) Axis LED Group’ warranty shall commence at the time of delivery, to the customer and continue for a period of Five (5) years (*10-year option available – fees may apply*) thereafter on the LED circuit board and LED chips and Five (5) years on the Power supply and fans and fan motors.

Axis LED Group warrants that its products and services shall conform to their description in agreed-upon specifications, drawings, or both, and shall be free from defects in material and workmanship for the period of the warranty. (c) The sole and exclusive remedies provided by these warranties are the obligations undertaken by Axis LED Group in this paragraph. Defective products covered by and within these warranties shall be repaired, reworked, or replaced as determined by Axis LED Group. The liability of Axis LED Group under this warranty is limited to replacing, reworking, or repairing such products in which there are defects. Axis LED Group’ obligations hereunder do not include any responsibility of the costs occasioned by removal, transportation, or reinstallation of such products, nor any rights, claims, or remedies with respect to direct damage, loss of use, lost profits, or other secondary or consequential damage of any kind, however occasioned. If Axis LED Group elects, or is unable to repair, replace or rework the defective product, Axis LED Group will refund to the customer or, at the election of the customer, issue a credit equal to the original purchase price of the products or services found to be defective within the terms of this warranty. (d) This warranty shall not apply unless all the following conditions are met: (1) Axis LED Group is notified in writing promptly upon discovery of the defects by Buyer, (2) The defective product is returned, freight prepaid, to Axis LED Group, (3) Either the written notification or the defective product is received by Axis LED Group within the warranty period. (4) Axis LED Group examination of the product discloses, to its reasonable satisfaction that the defects have not been caused by accident occurring after title has passed to the customer; improper handling, storage or installation by the customer; neglect or misuse or alteration by the customer; repair or attempted repair by anyone other than Axis LED Group.
